Discussions & Details of Motions	Moved	Seconded	Carried/Voting Notes	Due Date
Facebook posts in brigade group - please stick to brigade business. Stephen to put out a reminder.				
Money raised from McHappy Day was \$23.35. Moved to forward money to McDonald's as a donation toward McHappy Day.	Warren	Ben	6 For 3 Against 2 Abstained	
Opinion raised that if people intended it for McHappy day they'd have given it to them and not put into our donations, when giving the money it was intended for Seahampton RFB.			Carried	
\$23.35 donation to be made from Seahampton RFB to McHappy Day once the donations have been banked.				
Tools going missing that Warren brought in for use at station - if anyone has borrowed a stilson set or anything else please return to Warren.				
Damage to tankers email - it is understood that no damage is deliberate however the rules set out in the email <u>must</u> be followed, including use of a guide when reversing. The guide does not have to direct the drive necessarily but can identify hazards or objects that the driver can not see. This includes reversing into the truck bays in the station.				
Fatigue Management - if you are unwell, on medication, etc. stay at home, always follow IMSAFER. We are requested not to sit at station on very hot days as it increases fatigue and you may be ineligible for a strike team etc if you choose to do so.				
Sign on sheet - please ensure you write legibly so Colin can read and record details.				

Crew calendar / crew changes. Some small changes have been made to add people to more suitable crews. Col will speak to people and post on facebook.				
Anyone can attend station on any crew's weekend, all are always welcome. The listed crew will get priority on the truck.				
Tough mudder - Kerrie to advise ASAP, Leigh Pilkington will send details by Monday.				
Stephen moved the next meeting to the 18th due to Tough Mudder. Executive meeting to be decided at a later date, can be called at any time.				
Kerrie to post the change on Facebook within 21 days of next meeting.				
Start thinking about ideas for the Christmas Party and bring them to the next meeting.				
1st New Lambton Cubs will be visiting our station on the 26th from 1830 to 2000. A google form will go out for members to indicate attendance.				
Please use emergency crews / MyRFS to indicate that you are responding. Crew Leaders will check the board and wait an extra couple of minutes for you to arrive if they can.				
Ernest Stazek - has been probationary for some time, executive recommend not accepting as an ordinary member.	Colin Dennis	Ben Wright	Carried (0 against)	
Col moved to remove from register and notify Fire Control				
Rob Beath - Extend probation for another 3 months to attend more meetings (minimum of 3) and attend 15 crew weekends or training days or community events.	Colin Dennis	Stephen Schwetz	Carried (0 against)	
Scott Oliver - put out letter of intent, no response in 2 months. Fire Control to be advised.	Stephen Schwetz	Sam Dart	Carried (0 against)
